Impact of Arms entering Kashmir from Pakistan

*145. SHRI G. Y. KRISHNAN: Will the PRIME MINISTER be pleased to state:

(a) whether Government's attention has been drawn to the report published by the Committee on International Security Studies of the American Academy of Arts and Sciences that arms entering Kashmir from Pakistan have had a major impact on the "scale and severity" of the conflict and should the pipeline be cut or run dry, militants would quickly lose resources required to take on the Indian security forces as reported in the 'Indian Express' New Delhi dated 28th February, 1995; and

(b) if so, the measures being taken by Government to check the flow of Pakistani arms in the Kashmir Valley and bulk Pakistan's underworld connections in arms trafficking with Bombay and surroundings as a possible conduit for weapons and explosives?

THE MINISTER OF STATE IN THE PRIME MINISTER'S OFFICE (SHRI BHUVNESH CHATURVEDI): (a) and (b) Government are aware of the report referred to in the Question, and also of the sinister designs of Pakistan to create conditions of de-stabilisation and violent secessionism and terrorism in different parts of the country including Jammu and Kashmir. Government is alive to the situation and necessary steps are being taken to prevent the infiltration of arms etc. through various routes. These include further gearing up of the Intelligence machinery, exchange of information and coordinated action by Central and State Agencies, strengthening the deployment of security forces, intensified patrolling in the vulnerable areas, the borders and the LOC in Jammu and Kashmir, and construction of border fencing and flood lighting in vulnerable stretches of the Indo-Pakistan border. The Government intends to pursue these efforts intensively and in a sustained manner.
